Key

	Orientation		Summer term (with numbered weeks)		Final Project registration (with numbered weeks)
	Winter term (with numbered weeks)		Summer onsite intensive		Project seminar
	Advent break		August recess		Final Project presentations
	January onsite intensive				Graduation
	Lent/Pascha break				

According to our agreement with the ATS, courses will consist of 22 hours distance education and 23 hours fact-to-face. If students receive a minimum two hours of contact time (video, threaded discussion and conference call) per week during the DL portion of the class, then the "term" only needs to consist of eleven weeks.
