The Danilchick Family Endowment for Pastoral Studies

APPLICATION FOR D.MIN. GRANT & NEED-BASED AWARD

Academic Year 2020-2021

Instructions

The Danilchick Family Endowment for Pastoral Studies was established in 2013 by a generous gift from Protodeacon Peter and Tanya Danilchick to enhance the Doctor of Ministry program of study at St Vladimir's Seminary. This program is intended to provide the most advanced opportunity for pastors to further their ministries and prepare the church for a new generation of leaders formed in a full Orthodox educational context. This endowment is used to provide continuing education grants and need-based awards to qualified students enrolled full-time in the Doctor of Ministry program.

- **A. Continuing Education Grant.** All full-time Doctor of Ministry students, regardless of need, are eligible for continuing education support, calculated as a percentage of tuition. Applicants must complete sections 1, 2, and 4.
- **B.** Need-Based Financial Aid Award. Full-time Doctor of Ministry students with demonstrated financial need are also eligible for a need-based financial aid award. Applicants must complete sections 1, 2, 3, and 4.

Application Deadline. Applications—mailed or emailed to the director of financial aid—must be submitted by April 1. Late applications will be considered only if funds remain available. Need-based awards are distributed per term to eligible students who are making satisfactory progress toward completion of the Doctor of Ministry program; continuing education grants are applied to student accounts upon submission of an acceptable workshop report. Students are eligible for continuing education grants and need-based awards only for the number of terms normally required to complete the program.
