

St Vladimir's Seminary Registration Instructions – 2020-2021

1. Write your name, student ID, degree program, and year in program (as of fall 2020) at the top of the Registration Form.
2. Review course requirements of your degree program (below) and elective course descriptions (posted separately). Th.M. students are permitted to register for **M.Div. / M.A. courses**, if space is available and with permission of the Academic Dean. Successful completion of these courses, however, does not fulfill degree requirements. Qualified M.A. and M.Div. students, i.e., those with second-year standing, one year of Biblical or Classical Greek, and a minimum cumulative GPA of 3.5, are permitted to register for **Th.M. seminars** (400-level only), if space is available and with permission of the Academic Dean.
3. Complete the Registration Form:
 - Check the box of the required courses that you will be taking. (See the degree program tables below.)
 - Check the box of the electives you would like to take. Enrollment in electives is limited. **Priority will be given to students who are in their final year of course work and submit their registration form on time.**
 - If applicable, submit the additional information for thesis and New York Theological Consortium cross-registration, with required signatures.
4. Submit the completed Registration Form to the Registrar by the deadline indicated on the registration form. If you have any questions, please contact the Academic Dean before the deadline. **Students who register after the deadline will be charged a \$50 late registration fee.**
