

St Vladimir's Seminary

Registration Instructions – 2025-26

- Write your name, student ID, degree program, and year in program (as of fall 2025) at the top of the Registration Form.
- Review course requirements of your degree program (below) and elective course descriptions (posted separately). Th.M. students are permitted to register for **M.Div. / M.A. courses**, if space is available and with permission of the Associate Dean for Academic Affairs. Successful completion of these courses, however, does not fulfill program requirements. Qualified M.A. and M.Div. students, i.e., those with second-year standing and a minimum cumulative GPA of 3.5, are permitted to register for **Th.M. seminars** (400-level only), if space is available and with permission of the Associate Dean for Academic Affairs.
- Complete the Registration Form:
 - Check the box of the required courses you will be taking. (See the degree program tables below.)
 - Check the box of the electives you would like to take. Enrollment in electives is limited. **Priority will be given to students who are in their final year of course work and submit their registration form on time.** You may register for up to 18 credits within the regular tuition charge.
 - If applicable, submit additional forms for thesis registration and New York Theological Consortium cross-registration, with required signatures.
- Submit the completed Registration Form to the Registrar by the deadline indicated on the registration form. If you have any questions, please contact the Associate Dean for Academic Affairs before the deadline. **Students who register after the deadline will be charged a \$50 late registration fee.** *Note: You may make changes to your registration without penalty until the second Friday of each semester.*
