

THESIS OR FINAL PROJECT APPROVAL

Thesis or Final Project Submission Deadline

Advisor-approved theses and final projects are to be submitted by the deadline posted on the academic calendar, normally the last Tuesday before final exams in the fall and spring semesters, and Wednesday of the final week of classes in summer term.

Students who are unable to complete their thesis or final project by the posted deadline may be permitted to register for continuation in the following semester or summer term. *See Continuation for Thesis or Final Project.*

Requirement for Advisor Approval

In order for the thesis or final project to be accepted by the Office of Academic Affairs in partial fulfillment of the requirements of the student's degree program, the thesis or final project must be approved by the advisor ***before it is submitted to the registrar*** by the deadline posted on the academic calendar.

Student Acknowledgment

Students are responsible for completing the "Thesis or Final Project Approval" form and submitting the form—with the advisor's signature—together with the advisor-approved copy of the thesis or final project by the deadline posted on the academic calendar.
