St. Vladimir's Seminary Stewards Society

The St. Vladimir's Seminary Stewards Society honors individuals, families, and organizations whose faithful giving over twenty years or more has helped sustain the Seminary's mission. Through their longstanding generosity, members offer a quiet and enduring witness of commitment, helping shape generations of clergy, teachers, and servants of the Church.

Gifts of any amount to any area of the Seminary count toward membership, reflecting the many ways our Stewards have supported the Seminary's life and work.

We Give Thanks for Our Stewards Society Members

The following listing recognizes those whose years of faithful support have strengthened St. Vladimir's Seminary. We are deeply grateful for their generosity and for the lasting contributions they have made to the Seminary and the life of the Church.

If you believe your name should be included in this listing, but is not, please contact us so that we may update our records. We are grateful for your many years of faithful support and for the role you have played in sustaining the mission of St. Vladimir's Seminary.
