

The Danilchick Family Endowment for Pastoral Studies

Continuing Education Grant: Workshop Report Form

The Danilchick Family Endowment for Pastoral Studies was established in 2013 by a generous gift from Protodeacon Peter and Tanya Danilchick to enhance the Doctor of Ministry program of study at St Vladimir's Seminary. This program is intended to provide the most advanced opportunity for pastors to further their ministries and prepare the church for a new generation of leaders formed in a full Orthodox educational context. This endowment is used to provide continuing education grants and need-based awards to qualified students enrolled full-time in the Doctor of Ministry program.

All full-time Doctor of Ministry students, regardless of need, are eligible for continuing education support, calculated as a percentage of tuition. Continuing education grants are currently set at 25% of tuition for the academic year.

In order to receive a continuing education grant, students must prepare and deliver at least one workshop in their field of pastoral study and submit a report of the workshop to the D.Min. program director no later than May 15 of the grant year. The workshop must be intended for an audience beyond the student's local parish community, such as, a diocesan assembly, a pan-Orthodox conference, a deanery retreat, etc. *Students who do not fulfill the terms of the grant, which include timely submission of the workshop report, are ineligible to receive the grant.*
